Disposal of sites in Parasimharaja Extension in
Chintamani Town

With reference to your letter No L 13750 ML 50-47-16 dated 23-2-48 on the subject mentioned above, I have the honour to state that the first 25 sites in the extension were sold according to the orders of the Minister for Local Self-Government dated 25-1-48 and a sum of Rs 52,015/- was realised, in the sale and the sale of these sites were also confirmed by Government. The disposal of the remaining 24 sites was stayed pending further examination of the question in the light of the petition from some of the residents of Chintamani Town, protesting against their disposal in public auction. I have inspected the sites and the Minister for Local Self-Government was also pleased to inspect the sites during his visit to Chintamani Town. He has also heard the representations from the people. He has given suitable instructions to the President of the Municipal Council, Chintamani regarding the disposal of the remaining 24 sites.

The president reports that 70 applicants have asked for the grant of these sites at an upset price. The Municipal Council have resolved to acquire lands near Venkatagirikote and provide the houseless and poor people vacant sites at an upset price.

In the circumstances, I recommend that the Municipality, may be permitted to dispose of the remaining 24 sites in the Parasimharaja Extension as arrangements will be made to acquire land in a different locality for purposes of giving sites at an upset price to the deserving and needy houseless persons in the Town.

The petition presented to Government also accompanies
